I watched a video this past week of a table saw that would not cut through flesh. Have any of you worked with table saws? If you have you know how dangerous they can be. They can remove a misplaced finger in less than a second. But the video showed a recent invention that has some sort of sensor ...

I'm sure you've been wondering where I've been. (At least I'd like to think I've been missed!) Well, for the last two months I've been in stuck the hellhole that is known as applying for the NIH K99/R00 grant.

A Comprehensive Guide to Applying for the NIH K99/R00

Admit it. You've thought about writing an e-book. In fact, you've already imagined the front cover. You can see the main title, and underneath, your name. And when you picture it, you feel a ripple of pride. An e-book would be a big step up for you as a writer. Because while blog posts are a great way to express your ideas, you can't help feeling they're a little, well, fleeting.
