User Manual for Compex Muscle Stimulators

part includes an annotated example of a proposal. The annotated example aims to help you see in a concrete way what is expected in the different components of a research proposal. As with all general guides, you will need to work out how to adapt what is given here for the level of sophistication and structure required for your specific proposal.

Annotated Sample Research Proposal: Process and Product

"Leadership is a daunting endeavor that requires hard work, multiple tools (conceptual knowledge, practical skills, and value-based integrity), and collective effort.
