Beer in England has been brewed for hundreds of years. As a beer brewing country, England is known for its top fermented cask beer (also called real ale) which finishes maturing in the cellar of the pub rather than at the brewery and is served with only natural carbonation.. English beer styles include bitter, mild, brown ale and old ale. Stout, porter and India Pale Ale were also originally ...

Breweries in Illinois produce a wide range of beers in different styles that are marketed locally, regionally, nationally, and internationally. Brewing companies vary widely in the volume and variety of beer produced, from small nanobreweries and microbreweries to massive multinational conglomerate macrobreweries. Illinois is the 25th most extensive and the fifth most populous of the 50 states ...
