Critical Thinking: What It Is and Why It Counts

Freethought (or "free thought") is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma. According to the Oxford English Dictionary, a freethinker is 'a person who forms their own ideas and opinions rather than accepting those of other people, especially in ...

The masque and spectacle. Court masques and masques of the nobility were most popular in the Jacobean and Caroline era. Such masques, as their name implies, relied heavily upon a non-verbal theater. The character lists for masques would be quite small, in keeping with the ability of a small family of patrons to act, but the costumes and theatrical effects would be lavish.

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge

that builds upon the past knowledge.
