simultaneous competition and cooperation following a technological discontinuity. Moreover, while a deeper understanding of the tension between competition and cooperation is clearly needed, prior research has highlighted the benefits to interfirm collaboration (e.g., Dyer & Singh, 1998), while fre-

Discontinuities, Competition, and Cooperation: Coopetitive

The theory of cooperation and competition outlined thus far in the chapter is a well-verified theory of the effects of cooperation and competition and thus allows insight into what can give rise to a constructive or destructive process. The theory cannot serve as a cookbook for a practitioner in the field of conflict resolution.
