Executive Summary. When employees are disengaged and underperforming, the reaction of many managers is to try new incentives and ratchet up oversight and control.

How to Help Your Team Find Their Higher Purpose

A tiger team is a diversified group of experts brought together for a single project, need, or event. They are usually assigned to investigate, solve, build, or recommend possible solutions to unique situations or problems. They are almost always populated with mature experts who know what's at stake, what needs to be done, and how to work well with others.

When creating content with Office, you can make it accessible to people with disabilities through some simple adjustments. You can use several built-in Office features to make sure that everybody can read and understand your documents.

Create accessible Office documents - Office Support

Co-creative projects originate in partnership with participants rather than based solely on institutional goals. A community group may approach the museum seeking assistance to make a project possible, or the institution may invite outside participants to propose and work with staff on a project of mutual benefit.

Chapter 8: Co-Creating with Visitors — The Participatory

Balanced team Project teams. Roles and responsibilities are clear and agreed upon. The project has people with the right blend of skill set. Acknowledge that team members can change by stage.
