ten-hour day, lawyer Louis D. Brandeis paid little attention to legal argument. Instead, he focused on data produced by social scientists documenting the high costs of long working hours for both the individual and society. This type of argument—the “Brandeis brief”—would become a model for later reform litigation.

1 History of reading disability From Cleopatra to Cher, dyslexia has probably been present always during the history of humankind, even before writing systems were developed. We can imagine a caveman unable to understand the paintings in a cave depicting predators, venturing outside to be devoured by a beast.
