The Leveraged Finance or "LevFin" group is not a big deal; they just happen to close big deals.. And as a result, the Internet seems to be in love with this team. It's not just because of those big deals, though; there's also the perception that Leveraged Finance is one of the best groups for exit opportunities into private equity.. You do credit analysis, you work on leveraged buyouts ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
