A charter school is a school that receives government funding but operates independently of the established state school system in which it is located. Charter schools are an example of public asset privatization. There is ongoing debate on whether charter schools ought to be described as private schools or state schools. Advocates of the charter model state that they are public schools ...

(PLEASE CHECK THE BYLINE ABOVE. YES, IT'S MANDOS AGAIN.) Single-payer is proposed by many as the most ideal way to reform the payment/insurance process for health care in the US, for reasons with which I mostly agree, based on personal experience. The Canadian experience is drawn up, again mostly appropriately, as part of the evidence-base for this view.
