5/12/2018. Update on Scottish Petition. Report on petition PE1463: Effective thyroid and adrenal testing, diagnosis and treatment. There was a debate in the Scottish Parliament on 4th December which I think will be useful for Scottish patients and may be useful for patients in the rest of the UK to take to their doctors/CCGs.

Wednesday, September 28, 2011 03:57 pm 64-0641 -- Olympic Mountains Crash. For no particular reason I was searching the web this morning for more information and comments about the crash of 64-0641 and came across a Washington state history web site that had quite a list of newspaper article references which you can view towards the bottom of the tail number page.

If it is of any help, I have had the same problem intermittently over the last month or so. I use Vodaphone. My workaround has been to use the back arrow at top of page to get back to the comment I wrote; select all the comment text and copy it; then open a separate TS in a new tab; go to post and comment I want to reply to or to the comment box for a new comment; paste and quickly submit.
