An empire is a sovereign state functioning as an aggregate of nations or people that are ruled over by an emperor or another kind of monarch. The territory and population of an empire is commonly of greater extent than the one of a kingdom. An empire can be made solely of contiguous territories, such as the Austro-Hungarian Empire or the Russian Empire, or of territories far remote from the ...

Two references worth reading in light of the last post. First, via Barkley Rosser, this firewalled article by Andrew Farrant and Edward McPhail on Caldwell's recent edition of *The Road to Serfdom*. Caldwell seemingly considers Hayek to be arguing little more in *The Road to Serfdom* than that Soviet-style command planning is wholly incompatible with a democratic polity.

1. Life and Career. Maximilian Carl Emil "Max" Weber (1864–1920) was born in the Prussian city of Erfurt to a family of notable heritage. His father, Max Sr., came from a Westphalian family of merchants and industrialists in the textile business and went on to become a lawyer and National Liberal parliamentarian in Wilhelmine politics.

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of topics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-provoking.
