### **Guidelines for Programme Design, Monitoring and Evaluation**

Monitoring & Evaluation This brief is one in a series of tips for civil society organizations written from a funder's perspective. It is intended to stimulate inquiry, rather than to provide rigid instructions.

### **Monitoring & Evaluation - World Bank**

Monitoring and Evaluation (M&E) is a process that helps improve performance and achieve results. Its goal is to improve current and future management of outputs, outcomes and impact. It is mainly used to assess the performance of projects, institutions and programs set up by governments, international organisations and NGOs. It establishes links between the past, present and future actions.
