The New Drama Triangles

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

Radio drama (or audio drama, audio play, radio play, radio theater, or audio theater) is a dramatized, purely acoustic performance. With no visual component, radio drama depends on dialogue, music and sound effects to help the listener imagine the characters and story: "It is auditory in the physical dimension but equally powerful as a visual force in the psychological dimension."
