Edumine - Professional Development and Training for Mining

Military education and training is a process which intends to establish and improve the capabilities of military personnel in their respective roles. It begins with recruit training, proceeds to education and training specific to military roles, and may also include additional training during a military career. Military training may be voluntary or compulsory duty.

Tennessee State Government - TN.gov

Teacher education (TE) or teacher training refers to the policies, procedures, and provision designed to equip (prospective) teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community. The professionals who engage in this activity are called teacher educators (or, in some contexts, teacher trainers).
