At NestlÃ©, we are very clear that human rights abuses have no place in our supply chains. The challenges involved in addressing human rights issues are often complex and not easy to address. We cannot tackle these alone, and so work in collaboration with key partners to identify challenges and develop solutions.

The protection of fundamental human rights was a foundation stone in the establishment of the United States over 200 years ago. Since then, a central goal of U.S. foreign policy has been the promotion of respect for human rights, as embodied in the Universal Declaration of Human Rights. The United States understands that the existence of human rights helps secure the peace, deter aggression ...

The rights to be treated equally based on creed, and to freely hold and practice creed beliefs of one's choosing, are fundamental human rights in Ontario, protected by the Ontario Human Rights Code (the Code) and the Canadian Charter of Rights and Freedoms. Also protected is the right to be free from religious or creed-based pressure.

## **Policy on preventing discrimination based on creed**
