

equality of educational opportunity pdf

Equal opportunity is a state of fairness in which job applicants are treated similarly, unhampered by artificial barriers or prejudices or preferences, except when particular distinctions can be explicitly justified. According to this often complex and contested concept, the intent is that the important jobs in an organization should go to the people who are most qualified – persons most ...

The Virtual University Educational Opportunity

I think that using –equity– helps people to feel that they have not failed when they do not reach full equality, and also helps them to screen out a lot of disagreement that is irrelevant to their practice right now.

Educational Equity and Educational Equality - Crooked Timber

Educational equity, also referred to as equity in education, is a measure of achievement, fairness, and opportunity in education. The study of education equity is often linked with the study of excellence and equity.. Educational equity depends on two main factors. The first is fairness, which implies that factors specific to one's personal conditions should not interfere with the potential of ...
