To Web Study Text of Nature. At the call of a noble sentiment, again the woods wave, the pines murmur, the river rolls and shines, and the cattle low upon the mountains, as he saw and heard them in his infancy. And with these forms, the spells of persuasion, the keys of power are put into his hands.

386 Words Essay on Nature's Beauty. If the sea was a bright blue in the morning, by noon it has become an emerald green hue. The colors of the sky keep changing throughout the day, from pale pink at dawn to a dazzling blue at mid morning and a bright orange by sunset and purple by twilight. Nature reflects our moods. When the sun shines, we feel happy and hopeful.
