The Suzuki method is an internationally known music curriculum and teaching philosophy dating from the mid-20th century, created by Japanese violinist and pedagogue Shinichi Suzuki (1898–1998). The method aims to create an environment for learning music which parallels the linguistic environment of acquiring a native language. Suzuki believed that this environment would also help to foster ...

Totally essential for the approach I have (I very rarely use written music). A great place to start is by learning chords: the first building block is the Major chords - then the minor chords, then the sevenths (the Major, minor, and dominant sevenths), then the augmented, diminished, and half-diminished chords, then ninths (major & minor), sixths (major & minor), then thirteenth and ...
