Fault Lines won the Prix Femina, a French literary award with an all-female jury, in 2006. About Nancy Huston Nancy Huston is a French Canadian novelist, essayist, musician and women's rights activist. She writes mainly in French, and generally translates her own books into English.

Fault Lines by Nancy Huston (Book Analysis

Fault lines is the winner of the Prix Femina and was short-listed for the Orange Prize and has made me rethink this prejudice. This is a well-written, thought-provoking book. It's the story of four generations of a family that has some deep divisions, or fault lines, and some incredible secrets.

Fault Lines by Nancy Huston - Goodreads

For all its sophistication and complexity, the world economy is filled with weak spots, or "fault lines," that are invisible in good times but become painfully obvious during a crash, such as the recession of 2007 to 2009. One such fault line is the...
