HBO - Silicon Valley 1x01 - The TV Calling Script Library

The Silicon Valley Index is a nationally recognized publication that has been telling the Silicon Valley story since 1995. Released by Joint Venture every February, the indicators measure the strength of our economy and the health of our community—highlighting challenges and providing an analytical foundation for decision making. You can download a PDF of the entire 2019 report.

Silicon Valley Index

Silicon Valley is a perfect environment for start-ups whose major objective is to develop innovative ideas. On the other hand, when firms become mature and enter the phase of mass production or routine services, their major concern becomes sustainability and they naturally care about operating costs. For those
