1.4 Acquiring emeritus status; retirement (Article 10 of the Funding Regulations) 1 Eligibility to submit applications to the SNSF ends with the conferral of emeritus status or with retirement. The SNSF does not consider applications from emeritus professors or retired researchers.

General implementation regulations for the Funding

See Chapter II.C.2.j for additional guidance on the mentoring and data management plan requirements for collaborative proposals. NSF will combine the proposal submission for printing or electronic viewing. To submit the collaborative proposal, the following process must be completed: 29 (i) Each non-lead organization must assign their proposal a proposal PIN.

PAPPG Chapter II - NSF

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.

Life - Wikipedia

What you need to know. Table A provides a list of questions you need to answer to help you meet your federal tax obligations. After each question is the location in this publication where you will find the related discussion. The IRS mission.
