Grounded in our distinct values, vision and ventures, this â‚¬250 million fundraising Campaign strives to fortify our academic excellence, drive breakthrough innovation and transform society on a global scale.

Faculty | INSEAD
"Learning in the early years must be based on quality, developmentally-attuned interactions with caregivers [and teachers] and opportunities for play based problem solving with other children that stimulates brain development."

Early learning and development - Holland Bloorview Kids
A tutor, also called an academic tutor, is a person who provides assistance or tutelage to one or more people on certain subject areas or skills.The tutor spends a few hours on a daily, weekly, or monthly basis to transfer their expertise on the topic or skill to the student. Tutoring can take place in different settings, such as a classroom, a formal tutoring center, or the home of the tutor ...

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individualâ€™s own skills and sense of purpose to guide them through difficult times (â€œNarrative Therapyâ€•, 2017).

19 Narrative Therapy Techniques, Interventions
Since 1985, the Lifeline program has provided a discount on phone service for qualifying low-income consumers to ensure that all Americans have the opportunities and security that phone service brings, including being able to connect to jobs, family and emergency services.
