A student performed a first-hand investigation to determine the quantitative relationship between heat of combustion and molar mass of alkanols. The student did this by burning different alkanols to heat water as shown in the diagram below. The calculated heats of combustion for four of the alkanols are given in the table.

2014 HSC Chemistry - Board of Studies

The last 5 year hsc board paper for science have all the questions asked in 2 sessions that is in July and March . Here you will find a structured way of Maharashtra state board HSC question papers for science and download the pdf easily.
