The Canadian State Political Economy And Political Power

Along with the nations created by states, there are "internal nations" within states. Several such nations exist within the Canadian state, representing close to one quarter of the population. In recent years, Canadian political scientists have been actively theorizing this multinationalism and showing how it might be accommodated.

The Book of Others (Book IV): Canadian Multiculturalism

Federal-provincial (or intergovernmental, formerly Dominion-provincial) relations is a regular issue in Canadian politics: Quebec wishes to preserve and strengthen its distinctive nature, western provinces desire more control over their abundant natural resources, especially energy reserves; industrialized Central Canada is concerned with its manufacturing base, and the Atlantic provinces strive to escape from being less affluent than the rest of the country.

Politics of Canada - Wikipedia

employed in the field. Political science, however, cannot offer a clear single answer. Rather, political scientists study politics in a wide range of settings and in a variety of ways. Among political scientists there is great disagreement about what the field's core questions are and how best to study them.
