

the collar submissive 6 pdf

A wolf collar is a collar fitted with spikes, studs, or nails, which in the BDSM context are decorative. Such collars were originally used to protect dogs from wolves, hence the name, and have been adopted by the BDSM community. The spikes are considered to be dangerous, and such collars are used with care.

In BDSM, Master/slave, M/s or sexual slavery is a relationship in which one individual serves another in an authority-exchange structured relationship. Unlike Dominant/submissive structures found in BDSM in which love is often the core value, service and obedience are often the core values in Master/slave structures. The participants may be of any gender or sexual orientation.

Reader's Comments (0)Author's Note: This is a story which embodies most of my fantasies; to be owned and humiliated by a mature woman would be heaven. Part 1 I had known from the word go that I could never completely satisfy her sexually; she was way above my league, a picture of feminine grace on the outside, and a virago on the inside.
