International Legal Information | Oceana Law

Since 1871 the United States president and the United States Congress has been playing politics under a different set of rules and policies. The American people do not know that there are two Constitutions in the United States.

Two Constitutions in the United States. 1st was illegally

In 1954, after a lifetime of serious theoretical work in economic science, Mises turned his attention to one of the great puzzles of all time: discovering why the intellectuals hate capitalism. The result is this socio-psycho-cultural analysis informed by economic theory.
