Author's Note. This study was originally published in 1941. It has long been out of print. Even though it was well received and widely circulated I have steadfastly refused to reissue it until the whole matter could be carefully reconsidered and re-written.

Rich Man and Lazarus - HEAVEN DWELLERS

It's no surprise to some people that as many as 18 percent of those brought back to life after a heart attack have had near-death experiences. To others, the idea that human consciousness and the body can exist distinctly from each other seems unscientific. However, if there is no existence beyond ...
