The Paris Club (French: Club de Paris) is a group of officials from major creditor countries whose role is to
find co-ordinated and sustainable solutions to the payment difficulties experienced by debtor countries. As
debtor countries undertake reforms to stabilize and restore their macroeconomic and financial situation, Paris
Club creditors provide an appropriate debt treatment.

There wouldn't be much of a need for continuous counting, since we could rest assured that the national debt
we are immorally laying on the backs of future generations will once again more than double over the next 8
years to 40 trillion dollars, if the same elite group of Masters continue to rule over and oppress their hapless
victims that live on American plantations.

Almost two years ago, I started getting reader emails asking me if student loan refinancing was a good idea, and if a company called SoFi was a good place to do it. Never having carried such a loan myself I wasn't sure if I was qualified to answer, but other emails were coming in reporting positive results with the company.
