Students & Debt. Student loan debt is accelerating so fast that it has become a burden on the U.S. economy. The Federal Reserve Bank of New York said in February of 2017 that student loan debt rose for the 18th consecutive year and that borrowing for higher education has doubled in just eight years.

The national debt of the United States is the debt, or unpaid borrowed funds, carried by the federal government of the United States, which is measured as the face value of the currently outstanding Treasury securities that have been issued by the Treasury and other federal government agencies. The terms national deficit and national surplus usually refer to the federal government budget ...
