Annus Mirabilis is a poem written by John Dryden published in 1667. It commemorated 1665â€“1666, the "year of miracles" of London. Despite the poem's name, the year had been one of great tragedy, including the Great Fire of London. The title was perhaps meant to suggest that the events of the year could have been worse.

The film Moneyball was well-received by both audiences and critics and an Academy Award contender for best film at the 2012 Oscars. It was based on Michael Lewisâ€™ 2003 nonfiction book by the same name and directed by Bennett Miller from a screenplay written by Aaron Sorkin (who I understand was the guiding force behind the film) and Steven Zaillian.
