Comic book collecting is a hobby that treats comic books and related items as collectibles or artwork to be

sought after and preserved. Though considerably more recent than the collecting of postage stamps or books (bibliophilia), it has a major following around the world today and is partially responsible for the increased interest in comics after the temporary slump experienced during the 1980s.

A Note on Terminology â€¦ Advocates of free translation have invented several terms to refer to their approach. The term dynamic equivalence was coined by Eugene Nida in an attempt to avoid the negative connotations of the word paraphrase. Later, Nida used the term functional equivalence to avoid the negative connotations which quickly became attached to dynamic equivalence.
