

the economic basis of pdf

the bearing of all this class of facts upon economic doctrine. Above all, we need a discussion on a purely economic basis. In the past very few of the writers upon this subject have carefully separated the economic arguments against protection from the moral and political, and in this way the former is subordinated to the latter.

The Economic Basis of Protection. Simon N. Patten, Ph.D.,

economy at the University of Vienna and founder of the Austrian School of economics. Menger's pathbreaking *Grundsätze der Volkswirtschaftslehre* (Principles of economics), published in 1871, not only introduced the concept of marginal analysis, it presented a radically new approach to economic
