The existence of God is a subject of debate in the philosophy of religion and popular culture.. A wide variety of arguments for and against the existence of God can be categorized as metaphysical, logical, empirical, or subjective. In philosophical terms, the question of the existence of God involves the disciplines of epistemology (the nature and scope of knowledge) and ontology (study of the ...

"God of the gaps" is a theological perspective in which gaps in scientific knowledge are taken to be evidence or proof of God's existence. The "gaps" usage was made by Christian theologians not to discredit theism but rather to point out the fallacy of relying on teleological arguments for God's existence. Some use the phrase as a criticism of theological positions, to mean that God is used as ...
