I HAVE A DREAM - National Archives

The Australian Dream or Great Australian Dream is a belief that in Australia, home-ownership can lead to a better life and is an expression of success and security. Although this standard of living is enjoyed by many in the existing Australian population, rising house prices compared to average wages are making it increasingly difficult for many to achieve the "great Australian Dream ...

Australian Dream - Wikipedia

The dream argument is the postulation that the act of dreaming provides preliminary evidence that the senses we trust to distinguish reality from illusion should not be fully trusted, and therefore, any state that is dependent on our senses should at the very least be carefully examined and rigorously tested to determine whether it is in fact reality.
