Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel: a bildungsroman that depicts the personal growth and personal development of an orphan nicknamed Pip. It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person. The novel was first published as a serial in Dickens's weekly periodical All the Year Round, from 1 ...

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual’s own skills and sense of purpose to guide them through difficult times (Narrative Therapy, 2017).

This question is one I hear so many times. People write to me and say "I have done the research, and apparently narcissists don't change. But can a narcissist heal? How can he / she change?" This was a question, once upon a time I agonised over myself. With the first narcissistic abuse experience I was so deluded into believing I still loved him, and we were truly meant to be together.
