List of drummers - Wikipedia

A drummer is a percussionist who creates music using drums.. Most contemporary western bands that play rock, pop, jazz, R&B music include a drummer for purposes including timekeeping and embellishing the musical timbre. The drummer's equipment includes a drum kit (or "drum set" or "trap set") which includes various drums, cymbals and an assortment of accessory hardware such as pedals, standing ...

This post and its companion, Jazz Notation – the Default, present the material from my talk on January 11, 2014, at the Jazz Education Network Conference in Dallas, Texas. In my previous post on jazz notation, I discussed some of the ways that understanding the band's default performance practice can help you to write cleaner, more effective notation.
