the greatness of the pdf

Greatness is a concept of a state of superiority affecting a person or object in a particular place or area. Greatness can also be attributed to individuals who possess a natural ability to be better than all others. The concept carries the implication that the particular person or object, when compared to others of a similar type, has clear advantage over others.

I don't know how many times I've had the Fortune 500 presented to me as Exhibit A by those who argue that it's time to give up on a 20th-century American idea. Forget about building great companies that endure, they tell me. One technology pundit cornered me at a conference and deemed the whole premise absurd in today's world: “We live in an era when nothing can be built to last.”
