A mail bag or mailbag is a generic term for a type of bag used for collecting, carrying, categorizing, and classifying different types of postal material, depending on its priority, destination, and method of transport. It is oftentimes used by a post office system in transporting these different grades of mail. The mailbag is carried by some means of transporting like a mail carrier, animal ...

What To Pack One-Page Checklist. This Web site features an extensively annotated copy of the packing list that I use, refined over many years (and many miles) of travel, both business and pleasure; it's intended to provide a convenient starting point for you to create a customized list of your own.. For actual use while packing, of course, a more compact format is preferable.

Tea bag is a slang term for a sexual act in which the male puts his scrotum into his partner's mouth over and over, like a tea bag being put into a cup of hot water. Tea bagging can be an act of male domination, which he might use to humiliate his partner. Some people would not like being tea bagged, but it does not need to be painful.

Appearance and performance enhancing drugs (APEDs) are most often used by males to improve appearance by building muscle mass or to enhance athletic performance. Although they may directly and indirectly have effects on a userâ€™s mood, they do not produce a euphoric high, which makes APEDs distinct from other drugs such as cocaine, heroin, and marijuana.
