## **Medieval Life Information and Activity Worksheets**

Modern western universities have their origins directly in the Medieval Church. They began as cathedral schools, and all students were considered clerics. This was a benefit as it placed the students under ecclesiastical jurisdiction and thus imparted certain legal immunities and protections.

## **Christianity in the Middle Ages - Wikipedia**

The Church as a political institution in Medieval Europe was powerful and organized. Church leaders and monarchs came into conflict when they could not agree on who had authority. The Church was a powerful intellectual institution in Medieval Europe that helped establish universities. Why It Matters Now . . .
