Most people assume that there must be something wrong with men who stay in relationships with women who have traits of borderline personality disorder, men who know the right move is to leave but who find themselves unable to let go.

Women With Traits of BPD - Why Men Stay

When we look at the average relationship and marriage of men and women, it becomes apparent that some may look harmonious on the outside but many and most of them are really not a success and what one would call a celebration of joy and support.
